In addition, an entity applicant must maintain registration in SAM at all times during which it has an active Federal award or an application or plan under consideration by the Agency. The applicant must ensure that the information in the database is current, accurate, and complete. Applicants must ensure they complete the Financial Assistance General Certifications and Representations in SAM. Similarly, all recipients of Federal financial assistance are required to report information about first-tier subawards and executive compensation in accordance to 2 CFR part 170. So long as an entity applicant does not have an exception under 2 CFR 170.110(b), the applicant must have the necessary processes and systems in place to comply with the reporting requirements should the applicant receive funding. See 2 CFR 170.200(b).

An applicant, unless excepted under 2 CFR 25.110(b), (c), or (d), is required to:

(a) Be registered in SAM before submitting its application;

(c) Continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an application or plan under consideration by a Federal awarding agency.

The Federal awarding agency may not make a federal award to an applicant until the applicant has complied with all applicable DUNS and SAM requirements and, if an applicant has not fully complied with the requirements by the time the Federal awarding agency is ready to make a Federal award, the Federal awarding agency may determine that the applicant is not qualified to receive a Federal award and use that determination as a basis for making a Federal award to another applicant.

As required by the Office of Management and Budget (OMB), all grant applications must provide a DUNS number when applying for Federal grants, on or after October 1, 2003. Organizations can receive a DUNS number at no cost by calling the dedicated toll-free number at 1–866–705–5711 or via internet at http://fedgov.dnb.com/webform. Similarly, applicants may register for SAM at https://www.sam.gov or by calling 1–866–606–8220.

VI. Application Processing

Applications will be processed and scored in accordance with this NOSA and 7 CFR 3570.273. Up to 10% of the available funds may be awarded to the highest scoring Ultimate Recipient(s) as long as they score a minimum score of at least 70. In the case of a tie, the first tie breaker will go to the applicant who scores the highest on matching funds. If two or more applications are still tied after using this tie breaker, the next tie breaker will go to the applicant who scores the highest in the multi-jurisdictional category.

Once the successful applicants are announced, the State Office will be responsible for obligating the grant funds, executing all obligations documented in the grant agreements, and the grant agreement, as provided by the agency.
