

Joint Village Strategic Planning Meeting Notes
Wednesday, January 27, 2021
10 am MST
Zoom Teleconference and Telephone

1. Call to Order and Attendance

Brian Cole called the meeting to order at 10:10 am MST. Attendees included Mary Bradley, Linda Honahni, Robert Sumatzkuku and Brian Cole.

2. New Business

All attendees agreed that the primary order of business is the submittal of the Hopi Tribal Council Resolution to the HTC staff. After a thorough discussion, it was agreed that the ideal situation would be for Cedric Kuwaninvaya to be the author and then to have Philton Talahyewa Sr. to support the submittal of the documentation and discussion before the Hopi Tribal Council.

Linda Honahni indicated she would reach out to Cedric Kuwaninvaya and Philton Talahyewa to advance the paperwork.

3. Other Business

It was generally agreed that this matter is of the utmost importance and urgency. The work that has been conducted over the past three years was recognized, and it was understood that the new United States President and members of Congress would be funding “large scale” projects and strategies as a part of the Stimulus and Infrastructure Bills.

Brian Cole indicated that he had been in touch with Congressional Staff for Congressman O’Halleran (Jack Jackson Jr.) and Senator Mark Kelly (Luther Lee). Cole stated that while they appreciate the updates, they are looking for official support from Hopi. Thus the effort to advance the resolution was critically important.

4. Next Meeting

The next meeting was scheduled for 10 am MST on Tuesday, February 2. Cole indicated that he would distribute the Zoom link which is copied below.

5. Adjourn

The meeting was adjourned at 10:45 am MST.
