**Primary Meeting “Take-aways:”**

- Much of the meeting was a continued discussion with the Harvard students on the protocols of communication and the scheduling of 1:1 meetings
  - It was decided to move forward with these 1:1 meetings as this is a Village project and does not need to involve the Tribe
  - It was noted that there is not enough time for the Tribe to approve this, and as such, the Harvard Team should move forward while Andrew continues work with the Tribe to inform them that this does not need to be approved by the Tribe
  - The Harvard Team stated they would feel comfortable moving forward with this if Andrew Gashwazra can send them an email explaining the situation and urging them to move forward
- There was discussion around the Hopi Tribe Pandemic Recovery Committee State and Local Fiscal Recovery Fund (SLFRF)
  - This application can be found on the Tribe’s website and Bailey would send along the application with the meeting notes
- Bailey Anderson reported that Brian Cole’s main priority for his Arizona trip next week is to convene Navajo, Hopi, and the San Juan Southern Paiute Tribe
  - Anderson shared a one-pager related to the importance of this meeting and asked the group to share their thoughts
  - Claudina Burgener noted that this is a step in the right direction
  - Gashwazra indicated that the Chairman and Vice Chairman would be in Flagstaff on March 15-16 and it would be good to hold this meeting during that timeframe to get them to attend
  - The group mentioned it would be important to keep Fred Lomayesva in the loop for this meeting
  - It was agreed that Cole should continue to try and pull this meeting together

**Next Meeting**

- The next regular meeting will take place on Tuesday, March 14 at 10 am MST.
