- Dale Lucero is now acting Community Service Administrator for UVM
- Cole indicated he continues to coordinate with Dyron Murphey on building a team to assist villages to receive and successfully expend ARPA funding
 - Cole hopes to coordinate with Mark Talahytewa on the needs to support Villages
- It was reported that there is a tribal leadership meeting coordinated by Domestic Violence at the Legacy Inn on September 18 and 19
- It was estimated that there is \$30 million left in the Hopi long-term fund with annual expenditures of \$15 million. Historically, 60-70% of Hopi’s general fund has come from grants and contracts (only about 35% comes from Tribally-generated funding)
