Primary Meeting “Take-aways:”
- Brian Cole provided an update on a $9 million grant proposal that he is developing in coordination with Andrew. The proposal would be submitted by the Nahata Foundation to the Arizona Commerce Authority and would provide $2.5 million for housing associated with the Tawa’ovi Community Development project.
- No update on Water Well #2 project.
- With respect to Water Well #1, Niel Yazzie reminded the group that NECA still does not have an electrical contractor and despite efforts by NUA, has not been able to move the project forward. More recently, NECA has lost their representative and only has a temporary employee. Niel Yazzie is thinking of rebidding the project.
- It was recommended that an in-person meeting take place in Kykotsmovi that includes Niel Yazzie, Andrew Gashwazra, Fred Shupla, Dr. Joseph, Sarah Abney, Kim Secakuku, and Andrew Larson. Brian Cole could join by Zoom. Brian Cole offered the services of Bailey Anderson and his office to establish the meeting.
- The group agreed on the updated JVSP logo which will now be used for all meeting notices and notes.
- Brian also described the updated Hopi Roundtable graphic which is shown as Attachment A.
