Primary Meeting “Take-aways:”

- It was noted that the Hopi Tribal Government annual budget will decline to about $3 million for future years
- Tribal elections are underway with potential changes at Sipaulovi and other Villages
- Yuwehlo Pahki, and potentially Kykotsmovi, may be interested in the Solar Facilities Grant Program
- Le Roy Shingoitewa reported on the November 13 in-person meeting with Jennifer Hills of DB Stevens & Associates
- Shingoitewa provided recommendations including: 1) design the system with a ‘Y’ to allow for connections to Poosiwlenena, 2) design the line to serve the nearby “Bowl Area,” 3) there may be two additional wells drilled in the future, and 4) the right of way is being held up due to negotiations with Navajo
- Land near the landfill may eventually become available for development after remediation, mapping should be done of the VML allotted areas, consideration for who will maintain the line needs to be determined
- Brian Cole asked if we might develop an RBDG grant to develop a master plan for Range Unit 251 and to update Poosiwlenena
- There is continued interest in a joint Navajo/Hopi meeting
- YPC board elections are today (November 21) with the new leadership taking office December 14
- There is hope that Claudina Burgener will continue to be involved with JVSP

Next Meeting

- The next regular meeting will take place on Tuesday, December 5 at 10 am MST.
